AGING TODAY!

Aging Today provides unique coverage of the field of aging—including news, features and insightful columns. Published by the American Society on Aging (ASA), *Aging Today* explores a wide range of topics, such as current trends in research, public policy, business, media and "the aging spirit." In each issue:

- "In Focus"—a four-page pullout examining a hot topic area in depth: older drivers, ageism or the "conscious aging" movement, to name a few
- "Potomac Sources"—a column written by veteran *Los Angeles Times* Washington correspondent Robert A. Rosenblatt on policy and political issues in aging
